- Built a thriving runner community through the Running, Wellness Committee, launching flagship events like the Triathlon and expert-led wellness programs.
- Consistently delivered measurable improvements across the club by contributing as a member of various committees and the Executive Committee.

My Vision

- Establish professional management standards with best-practice policies, transparent governance, and efficient execution
- Leverage technology and training to enhance operational efficiency, accountability, and member experience.
- Drive sporting excellence through facility upgrades and access to premier coaching across all levels.
- Preserve our architectural heritage while implementing a strategic master plan for responsible future expansions and renovations
- Champion diversity and inclusion by actively engaging women members and younger generations in committees, decision-making and Club activities
- Serve our entire community – from respected senior members to our youngest families – ensuring every generation feels valued, included, and engaged.
- Initiate regular health check-up camps at the club for members at discounted rates.
