

Dear Fellow Members,

I am Sanju Kothari, and I write to you today to humbly seek your support in the upcoming elections at our beloved Cricket Club of India, where I am contesting for the position of Executive Committee Member.

Let me begin by expressing my heartfelt gratitude for the overwhelming support and trust you have placed in me during my previous terms on the Executive Committee. It has been a privilege and an honour to serve you and contribute to the evolution of our prestigious club.

Over the years, I have been fortunate to serve as Vice Chairman across various committees, each time bringing fresh, member-centric ideas and events to the table with the aim of elevating the quality of facilities, events, and services for all our members.

Highlights of My Tenure:

- **Cricket Committee (Former Vice Chairman)**
 - Represented CCI at the **BCCI Board** and Marketing Committees.
 - Instrumental in bringing top-level cricket back to Brabourne Stadium after many years through a special resolution signed unanimously by all BCCI members.
 - Successfully hosted IPL, Ranji Trophy matches, Syed Mushtaq Ali T20 tournament, and the Women's World Cup at CCI.
 - Introduced the Member's Premier League and the Cricket Carnival under lights for CCI members.
- **Tennis Committee (Current Vice Chairman)**
 - Successfully organised and hosted events like WTA, Tennis Premier League and CMTL being one of the most popular tournaments amongst our members.
 - Installed the 1st Padel and Pickle courts at CCI which are extremely popular with the members.
- **Snooker & Billiards Committee (Current Vice Chairman)**
 - Hosted National-International level tournaments featuring top players like Pankaj Advani and many International Players. During one of the tournaments there were 7 world champions together under one roof at CCI.
- **Women & Toddlers Committee (Founding Vice Chairman)**
 - Launched **SOUK** to showcase the talent of our club's women members.
 - Initiated events such as Holi celebrations and numerous children's and ladies programs.
 - Spearheaded the creation of the indoor play area, "*Kid's Wonderland*".
- **Emerging Sports (Former Vice Chairman)**
 - Revamped the East Lawns to include football, basketball, and throw ball courts.

While I take pride in these accomplishments, I am not here to rest on the past. I am contesting again because I believe there is much more we can achieve together.

Special Highlight: "With great effort and pleasure I'm delighted to inform members that CCI is set to host the Corporate GOAT Cup! Members will witness Lionel Messi in action, with an unforgettable felicitation and prize distribution by the legend himself."- a truly momentous occasion we are all eagerly looking forward to!"

My Vision for CCI's Future:

- **Parking:** Expedite the creation of a **stack parking facility**, adding 50 to 60 additional spaces within 6–8 months as an interim solution while the long-term master plan is underway which will take at least 5 years to complete.
- **Sports Promotion:** Support and partially sponsor promising athletes representing national and International levels from among our sports members.
- **Mahjong Room:** Will request to allocate a dedicated space for this rapidly growing activity, particularly popular among our lady members.
- **Senior Citizen Engagement:** Develop tailored facilities and entertainment programs for our senior members.
- **Convenience Store:** Expand and upgrade the convenience shop to better serve our members' daily needs.
- **Coaching Fees:** Propose waiving 20% coaching fees to make training more accessible.

I firmly believe that the path to meaningful progress lies in transparency, accountability, and collaboration. With your support, I aim to help the Executive Committee work as a unified team focused solely on the betterment of CCI.

I seek your valuable vote and support in this election to continue serving our club and enriching the member experience for everyone.

**Warm regards,
Sanju Kothari
